Re: LG&E and KU's Petition for Confidentiality
PSC Case No. 2008-00148

Dear Ms. Sturgeon:

The Public Service Commission has received LG&E and KU's Petition for confidential treatment requesting to protect as confidential certain information contained in the companies' 2008 Joint Integrated Resource Plan ("IRP"). This information is described as information regarding projected fuel costs, and other power production costs, and information regarding projected sales prices and revenue requirements.

Based upon a review of the information, I have determined that it is entitled to the protection requested on the grounds relied upon in the Petition and should be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, LG&E and KU are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Stephanie Stumbo,
Executive Director
